

Take our clients' word, you can trust McREL to get results that help students and staff flourish.

“McREL has never failed to provide us with innovative ideas, training, and resources.”

-Jennifer Parker-Moore, Instructional Tech & School Data Consultant
Macomb Intermediate School District, Michigan

“We are grateful for McREL’s experience and knowledge. They made our processes organized and efficient. We appreciate the professionalism, continual guidance, and excellent advice.”

-Brent Bacon, Chief Academic Officer
Wyoming Department of Education

“We have relied on McREL as we continue to seek student improvement in our district. We appreciate that all of McREL’s resources are research-based and proven effective. They’ve helped our staff to grow professionally and have a bigger impact on student learning.”

-Darrel Kohlman, Superintendent
Nemaha Central Schools, Kansas

“McREL was instrumental in the development of our state-approved professional development system. I highly recommend them for work in your district.”

-Bette Zippin, Director of Professional Development Support
Broward County Schools, Florida

“All of my administrators said that McREL’s Balanced Leadership professional development was extremely meaningful to their practice and allowed them to be reflective learners.”

-Debra Kaplan, Superintendent
West Covina Unified School District, California

“McREL’s Power Walkthrough makes for an immensely efficient way to measure progress of instructional improvement strategies.”

-Michael Tefs, Superintendent
Wooster City School District, Ohio

“McREL training transformed my teaching this school year.”

-Jessie Altman, Teacher
Francis Howell School District, Missouri

“Once the Instructional Planning Framework model clicked for me, a flood of ideas came to me on how to implement procedures to create a LEARNING environment for my students.”

-Monica Kahe, Teacher
Hopi Jr/Sr High School, Arizona

“I am pleased to recommend McREL’s staff development and Power Walkthrough system. The training was of the highest quality...the presenter was very knowledgeable about effective teaching strategies.”

-Maria Betancourt-Smith, Assistant Superintendent
Huntington Independent School District, Texas
